

The Do + Don't Good Friend Game

**When you disagree
with a friend
you both can
"agree to disagree"
and move on.**

**When you disagree
with a friend you
should argue that
you are right and
they are wrong.**

**Encourage other
kids around
to play with you
and your friends**

**Exclude other kids
and don't let your
friends play with
anyone but you.**

**Talk nicely about
other people
or don't say
anything at all.**

**Point out what you
don't like about
other kids or make
a big deal about
their mistakes.**

**Invite several
friends over to
your house.**

**Invite only one
friend over to your
house in front of
other kids.**

**Take turns when
playing or
sharing something
with a friend.**

**Don't share
anything you have
and refuse to
take turns.**

**Ask your friends
how they would
like to play a game.**

**Tell your friends
they have to
play a game
your way only.**
